BASIC INFO MUNICH OFFICE

PUBLIC TRANSPORTATION: Follow the - signs through the airport. Metro trains (S8 preferred) go straight into the city and will bring you to station ROSENHEIMERPLATZ.
Please find attached a map on how to find our office from the train station "Rosenheimerplatz" (See Map on next page)
TAXIS: Also there are ALWAYS Taxis waiting outside of the airport. Just follow the Taxis signs. Traveling time Airport to city is with Taxi or Pubic the same at about 40-50 min.

Introduction:
The Munich office represents a broad range of Qualcomm divisions, i.e. GMD, QCT, ESG, GA, OOTCS, Qualcomm Life, and QCA. It holds functions for business development, Deutsche Telekom/T-Mobile Group key account management, key account management of key German automotive manufacturers (Audi, BMW, Daimler, VW), public relations, engineering and training services for mobile operators, government and regulatory affairs, marketing and product support for the chipset business, and administration.
