Campeon is located southeast of Munich, close to the freeway. It can also be reached using public transportation.

By car:

Take the Munich-Salzburg freeway (Autobahn); exit at Neubiberg. However there are only **limited parking spaces** in the garage for visitors. Therefore we would like to recommend to **use public transport** where possible instead of taking a rental car!

By public transportation from Airport:

When arriving at Munich Airport, please buy a ticket to “Fasanenpark” (~13 Euros) and take the S8 (or S1, but this takes approx. 30min more) to Ostbahnhof (“Munich East”). At Ostbahnhof you have a connection to the S3 heading for Holzkirchen or Deisenhofen. Please get off at the S-Bahn station Fasanenpark (**and NOT Fasangarten – it sounds similar, but it is the WRONG STOP**); Campeon is ca. 300 m away. The path from this station to the building is entirely covered.

The following bus services are also available:

- Bus No. 217 stopping at 'Am Sportpark' (south of Campeon in Unterhaching) provides a connection to the U5 and S6 in Neuperlach-Süd.
- Bus No. 218 has two stops at the Campeon site: Campeon West (KiTa/Children's Day-Care Center) and Campeon. This bus route connects the site to the Neuperlach-Süd stop. Here you have a connection to the U5 and S6.
- The bus No. 220 route heading for St.-Quirin-Platz / Giesing takes you from Fasanenpark to the U1 at Mangfallplatz or St.-Quirin-Platz.

Check the website <http://www.mvg-mobil.de/> for the best connection to Campeon with the MVG/MVV [Munich's public transportation network].

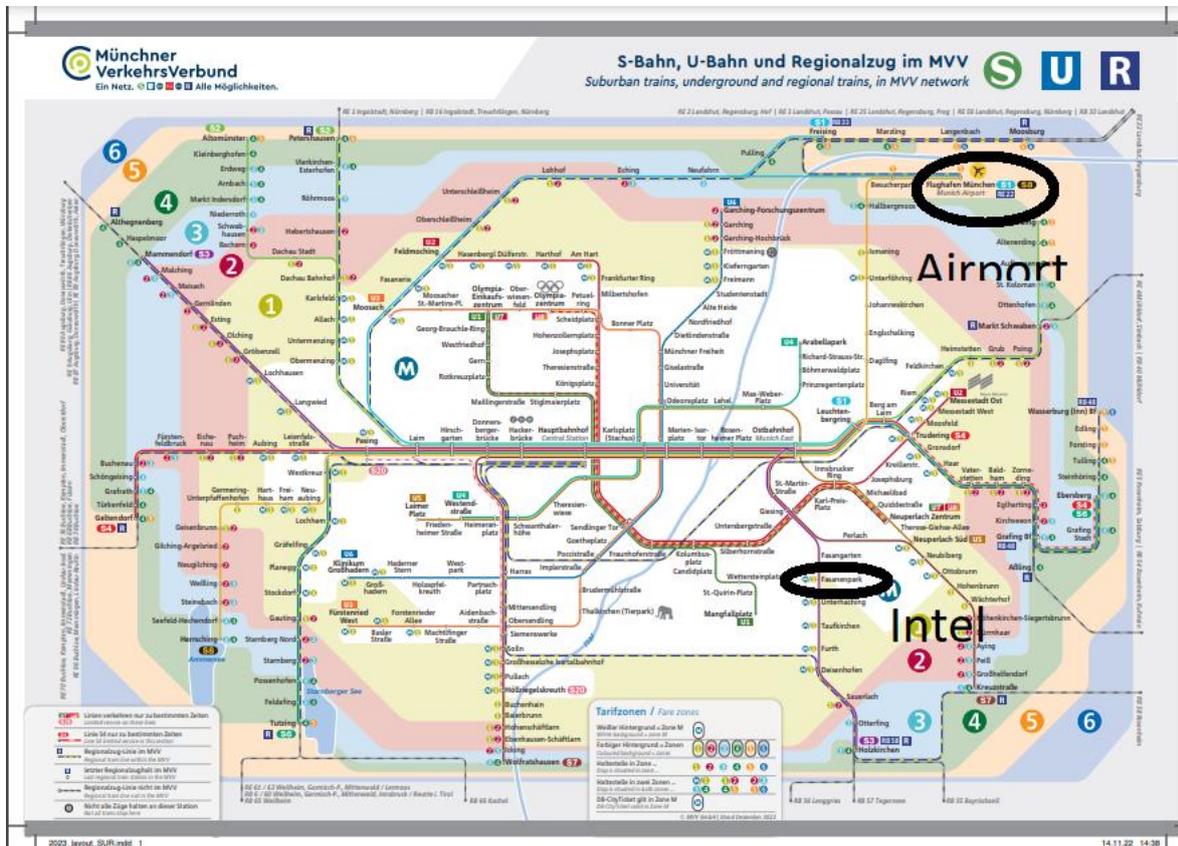

By rail (Deutsche Bahn):

Take the train to Munich main station (Hauptbahnhof) or, if applicable, to Ostbahnhof and change to the S-Bahn service (S 3 Holzkirchen or Deisenhofen). For further details on the S-Bahn service see topic public transport.
