Dear Sir,

Following emails exchanged concerning your participation in Specialist Task Force 474 on Interoperability and Integration of Global Navigation Satellite Systems (GNSS) with Telecommunications Systems for the provision of location-based services, I inform you that your Letter of Engagement n°474/03 has been terminated.

Even if we have appreciated your initial contributions, considering the repeated delay in the delivery, the absence of conclusive reaction to the reminders from the STF Leader and the STF Manager, we must refer to Article 2.2: "*Failure to comply with the requirements provided for in the STF ToR or to comply with the instructions of the STF LEADER or with the procedures listed in Article 2.2 of the LoE, shall be treated as a serious breach of this LoE*" and apply Article 15 comma b): "*in the event of a serious breach of any of the obligations of this LoE by the COMPANY, ETSI shall give the COMPANY written notice describing such breach by registered letter, and if the Company fails to cure such breach within seven (7) business days, ETSI may terminate the LoE by written notice without the need of any other formality*".

As it concerns the compensation for the work already done, we agree to pay the balance for the 33,5 days you have spent on this contract.

I remain at your disposal for any further questions.
